## OUR COUNTY CONGRESS

Official Report of the November Proceedings of the Marion Board of Commissioners

Board met in regular session, Wednesday, November 3, 1904. Present: H. W. Long, chairman, and Commissioners N. A. Fort, S. R. Pyles, E. L. Wartmann and J. L. Edwards.

Minutes of October 3, and special meetings of October 8 and 28 were read and approved.

Mr. Boring appeared and requested the board to pay the cost of the constable, R. W. Holliday, in the case of the state against the Schulers, which had heretofore been refused under the recommendation of Mr. Wartmann. The action heretofore taken was rescinded and the cost in said cause ordered paid.

Mr. Galtskill appeared with petition with reference to roads at McIntosh, and after considerable discussion the matter was laid over. Mr. Galtskill entering a protest against a petition filed at last meeting the said petition was laid over until next meeting.

It appearing that the registration officer for some cause had failed to appear to receive the ballot boxes and returns, Mr. D. M. Barco, after having been appointed deputy clerk of the circuit court, was ordered to receive the boxes and returns and to furnish the clerk with proper memoranda for the payment of clerks and inspectors. The clerk was ordered to draw warrants for the amounts prepared by Mr. Barco for the said inspectors and clerks.

It appearing that Mr. Long, chairman of the board, would be absent on the day the canvass of the election returns in this county would be made and the law requiring in his absence one member of the board to act, the board appointed Captain S. R. Pyles to act with the registration officer and county judge in the canvassing of the election returns.

It was ordered that Commissioner Wartmann be authorized to buy two Winchester shotguns for use at the convict camps.

Mr. James Freeman, mark and brand inspector of district No. 9, tendered his resignation and recommended the appointment of Mr. J. S. Driggers. A petition also having been filed recommending the said Driggers, the board thereupon appointed Mr. Driggers.

Captain Pyles, having been appointed a committee of one to investigate and report with reference to the Leesburg and Ocala road, asked for further time, which was granted.

Mr. Long made report on Martel road, showing 216 yards of road built and one mile graded, and material spread 12 feet in width and about 8 inches in depth, out of an excellent quality of clay, one quarry being mixed with phosphate, one with ocher and one with Fuller's earth, at a cost of \$502.29.

Upon motion of Commissioner Wartmann, James Townsend and Gustave Kraeson were turned over to Captain R. D. Harrison to finish serving out their sentence.

The commissioners heretofore appointed, viz: J. L. Whisenant, J. J. Nelson and J. F. Barrett, having made their report on the road and the report being unsatisfactory, the same was referred to Captain S. R. Pyles, commissioner in charge of that district, for investigation. Commissioner Wartmann, who was in charge of the Evinston and McIntosh road, reported that 3 1/2 miles in length had been paved with gravel and clay, well graded, thereby making a good and substantial road at a cost of \$1700.56, one half having been paid by private subscriptions by citizens, leaving balance of \$850.28 due by the county as per agreement heretofore made. Whereupon it was ordered that a warrant be drawn for \$850.28 upon the road fund in favor of Mr. W. E. Allen, chairman of local committee.

Thursday, November 10, 1904, 8 a. m.

Board met pursuant to adjournment. All members present except E. L. Wartmann, who had been excused the afternoon before.

Upon motion, petition from citizens of McIntosh to build the Hickman and Boardman road from Hickman to where it intersects the Evinston and McIntosh road, and the Flemington and McIntosh road from H. C. Price's to McIntosh, and to continue the Evinston and McIntosh road 3/4 of a mile further south, a total distance of about 5 1/2 miles, on the same terms the road is now being constructed, viz: The county to pay one half of the cost of constructing the same, the other half to be paid by private subscriptions, was granted. The supervision of said road to be by county commissioner in charge and the same committee already appointed.

Petitions requesting that Mattie English and Ben Fell be admitted to the poor farm was referred to Commissioner Wartmann.

The town of Anthony having filed an approved statement from the tax collector, showing amount of sub-road taxes due the town of Anthony up to and including the taxes of 1903, amounting to \$142.57, was ordered paid and a warrant for that amount be drawn in favor of the said town.

Applications for pension from the state of Florida were approved as follows: L. I. Hall, Mary E. Marsh, Mrs. L. H. Baxter, W. H. Levinar. Notary public bond of D. L. Grantham was approved. Bond of W. S. Priest, inspector of

marks and brands for district No. 13 was approved.

The following bonds to carry firearms were presented, approved and licenses ordered issued: S. T. Skipper, W. B. Roberts, Don R. Mixson, Harry E. Leavengood, Ed T. Jordan.

Mr. H. W. Long made his report of the poor farm as follows:

The vegetables are growing nicely; Irish potatoes are as large as hen eggs. Lightwood has been hauled to boil the crop of syrup, which will begin this week, or as soon as the potato crop is harvested.
